Pinehurst Area Realty (PAR) purchased and began developing Knollwood Village in 1976 and Midland Country Club in 1980. The two communities share the concept of "Active Adult Living" with two walking 9-hole golf courses that encourage walking but always have golf carts available. The unhurried and quiet lifestyle offers activities that include golf, swimming, bridge, bowling, shuffleboard, garden club and more. You become as involved as you like with neighbors who have like interests and backgrounds.
